

LAHASH 2025
ANNUAL REPORT

**HOLISTIC
HOPE**

A YEAR OF FLOURISHING

BY GEOFF MITCHELL
LAHASH BOARD CHAIR

One of my favorite miracles to witness, constantly occurring all around and within us, is growth. I am in awe of how a simple plant cutting I was given has grown into a thriving prayer plant, thanks to sunlight and water. Similarly, I have witnessed beauty and growth at Lahash over the past year!

2025 marked twenty years since the Lahash seed was first planted. Over our first two decades, the organization has flourished, bringing hope, healing, and holistic growth to individuals and communities throughout East Africa.

The Lahash community has contributed to the holistic growth of 600 children through regular monthly sponsorship. We witnessed and fostered spiritual growth as kids across the region attended Bible camps - learning about the love of Christ.

We saw students baptized, graduate from vocational training, and some continue to higher education. Our community came together to share gifts to improve nutrition during Rice & Beans Month.

The 2025 Gala was a celebration of God's faithfulness to His people. We saw people prompted to travel to East Africa for the first time, raised a record amount of financial support, sponsored more children, and had the opportunity to pray over founder Dan Holcomb and his family as they enter a third decade of service to the global Lahash family.

The board, staff, partners, and children are full of gratitude for you! This ministry is possible because of your generous giving and love for the most vulnerable. Thank you!

It is our mission to support our African ministry partners to offer holistic hope to the whole child: mind, body, and spirit. Your support allows Lahash to provide food for hungry bodies, education for hungry minds, and God's Word for hungry spirits.

Thank you for making 2025 our most successful year yet!

Geoff helps guide the ministry through his presence on the Lahash Board. He sponsors a child and will be serving with Lahash in Kenya and Tanzania this summer!

"The kingdom of heaven is like a grain of mustard seed... It's the smallest of all seeds, but when it has grown, it is larger than all the garden plants." -Matthew 13:31-32

HOLISTIC CARE THROUGH CHILD SPONSORSHIP

The Lahash Sponsorship Program remains our central focus, providing consistent, loving, holistic care for vulnerable kids.

Spiritual care includes discipleship in the ways of Jesus through worship, prayer, and Bible teaching. Educational care means working to educate each child to their highest ability. Physical care supports their nutrition, health, medical, and practical needs. Emotional care is about surrounding them with support and reaching out to them on home visits to offer counsel and encouragement.

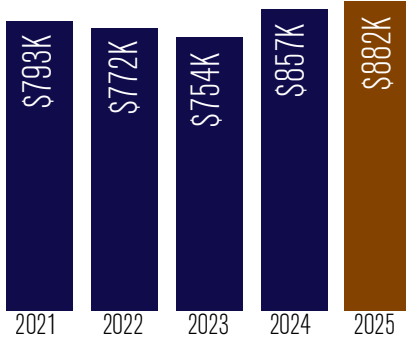

We are thankful for the deep commitment of our ministry partners to this work and for the perseverance shown by every child. We are excited for a new year of ministry, growth, and all that God has in store!

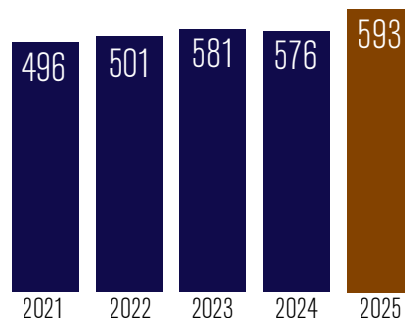

In 2025, Lahash provided holistic care for over 600 vulnerable children in 4 East African countries by partnering with local ministries at 10 unique sites.

"We trust that every dollar we donate is used thoughtfully and carefully to further the Kingdom of God."

Every single interaction we have had with the people at Lahash over the past 17 years has been wonderful – from the staff to the volunteers to the sponsored children!

Their mission is genuine, and they truly walk the talk, connecting people and resources to vulnerable children in East Africa through relationships, partnerships, and programs.

We trust that every dollar we donate is used thoughtfully and carefully to further the Kingdom of God, and we are grateful for the opportunity to join in the efforts they facilitate.
