

Lahash International

Job: Media Specialist

Mission Statement: Lahash partners with African churches and ministries to holistically care for vulnerable children.

Vision Statement: Our vision is that all children in Africa know Jesus and thrive as they are loved by a flourishing global church.

Work Location: Portland, Oregon	Effective Date: Immediately
Reports to: Media Director	Employment Status: Full Time (40 hrs.)
Department: Media Team	Income: Salary Raised through Support

General Job Description:

The Lahash **Media Specialist** will work with the Media Team and other staff members to create spiritually rich, compelling, memorable, and culturally appropriate media to help disciple, inspire, and activate people from around the world to take a step to participate with Lahash and our ministry partners. This position utilizes passionate storytelling and skillful design to create content that elevates the voices of our African partners and the kids they serve, raises awareness about the issues they face, and celebrates the ways God is at work through their local ministries. This position involves clearly and beautifully communicating the mission and vision of Lahash through video, print, and online media that support our core programs, deepen connections, and inspire meaningful responses.

Essential Functions

- **Personal Fundraising - 15%**
 - Establish and maintain a personal team of financial donors and prayer partners to support your ministry work.
 - Write physical quarterly update letters to your team, and thank-you notes to those who support you.
 - Give at least 2 personal presentations to your community each year (church, small group, other communities, etc.).
 - Reach 100% support and maintain that during employment.
- **Content Creation - 60%**
 - Shoot and edit professional-quality video projects.
 - Design graphics and layouts for print and digital resources.
 - Manage media timelines to get projects into production and completed in accordance with Lahash's ministry needs and plans.
 - Participate in brainstorming and planning of media projects and advocacy tools.
 - Shoot professional-quality photos.
 - Maintain graphics, photo, video, and resource library.
 - Keep up to date with trends in media, advocacy, video, and graphic design.

Media Specialist

- Help with online advocacy (updating websites, managing social media, writing e-newsletters, etc.).
- **Community Participation - 25%**
 - Attend the monthly evening meal with the Lahash Portland community (held on a Monday).
 - Travel to East Africa once a year.
 - Attend the Lahash East Africa Conference every two years and assist with event planning.
 - Participate and assist with planning the annual staff retreat.
 - Attend and help coordinate the monthly solitude days and various other spiritual and educational growth events for the Lahash team.
 - Read spiritual development books alongside the team.

Knowledge, Skills, and Abilities

- College degree and experience in design and media creation.
- Proficient in Canva.
- Proficient in the use of design and digital communication software.
- Experienced videographer and photographer.
- Passionate about the mission and vision of Lahash International.
- Ability to multitask, flexibility, and resourcefulness.
- Proactive in starting, maintaining, and completing tasks.
- Prompt and efficient job performance.
- Team player.
- Detail-oriented.
- Proficient with Adobe, Google, and Microsoft software.

Personal Attributes & Values

- Has a personal relationship with Jesus Christ.
- Adheres to the Lahash Statement of Faith, ethics, and morality in the Lahash Staff handbook.
- Passionate about holistically caring for vulnerable children.
- Filled with integrity, grace, and pursues different spiritual disciplines.
